

DEAR FIRST LUTHERAN CHURCH FAMILY,

I am happy to see that not only has the warm weather brought out many flowers to enjoy, allergies to not enjoy, and so many of you in church this past Sunday. It is fantastic to see you!

We had our first coffee hour on June 7<sup>th</sup>. It was wonderful to have our fellowship time again after church with so many of you. I look forward to having our coffee hour regularly. I know I have missed it, and I am sure all of you have, too.

A big thank you goes to Bobbie Heastings and our music department. Bobbie was able to add to our services with not only her wonderful anthems on the piano, but have Nathaniel Black play the cello and Stephen Dragan to sing an anthem for us one Sunday. We look forward to her planning more wonderful things for us!

A thank you also goes to our bell choir for playing during some of our services during these past two months.

A thank you also goes to our seminarian, Justin, who has been here to help Pastor Grewe, and has blessed us with a few of his sermons.

Heather Quedenfeld is busy planning more exciting fundraisers for us to raise money to pay back the loan on our roof, and hopefully raise extra for other church projects, or just for some fun things for us to do!

George Salvucci is still in contact with our roofers, and hopefully with the nicer weather, they will have a chance to start work on the Sunday School wing.

Blessings,

Jennifer Black, FLC Council President
